Changes to Regulations

Tenants have been enjoying their meals without having a plexiglass that separates them. Since this was taken, they are also eating with 4 or more people at a table and can have everyone attend activities as they want.

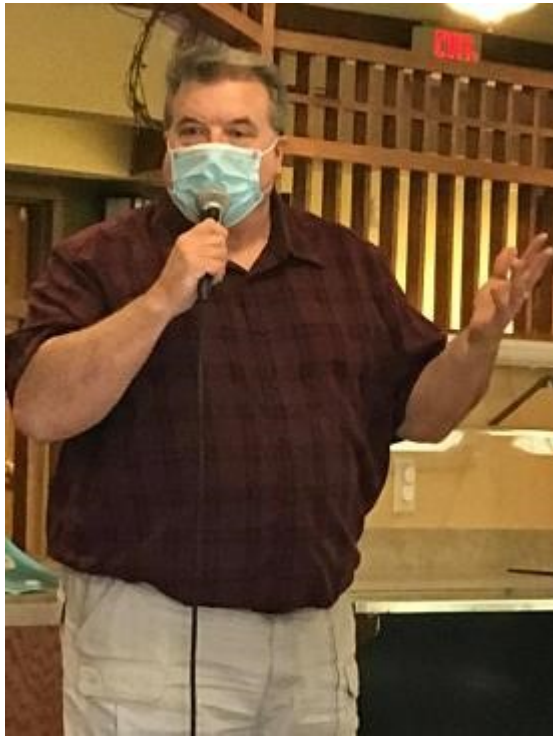

An update on visitation is that you are allowed up to 4 people at a time for a visit. Also, please bring your shot record if you would like to have your visit without a mask on. You will still need to wear the mask in and out of the building but not during your visit. You are also able to bring in food and eat with your loved one **AS LONG AS YOU ARE VACCINATED.**

Please remember that you still need to call in 24 hours before visiting.

If you have any questions, please feel free to call Becky Bruce or Kim Oliver at 402-729-6100.
