July 2026

Casino Night
at Cedarwood
to honor all of
our special
guys.

The quilts in front entrance were done by Jean Zabel, The quilts to the side are from veterans who had already received their quilts.

The Quilts of Valor Foundation present these handmade quilts to service members and veterans who have been touched by war, as a symbol of comfort, healing and gratitude and appreciation of their sacrifice. Each quilt represents a heartfelt “thank you” for their dedication, courage, and commitment to protecting our freedoms.

We were honored to witness three remarkable veterans receive their Quilts of Valor this evening at Cedarwood Assisted Living: Stanford Stamm, Jack Buchli, and Roy Eggert.

We are deeply grateful for Stanford, Jack, and Roy's service to our country and were honored to celebrate them tonight. Their patriotism, sacrifice and devotion will never be forgotten.

Thank you Barb Schmidt for presenting the quilts.

This afternoon, Becky Bruce, Administrator at Cedarwood, had the pleasure of sharing a travelogue featuring the beautiful state of Washington. From breathtaking mountains and scenic rivers to charming small towns, it was wonderful to explore the sights together.

The best part of the afternoon came after the presentation, when our tenants eagerly shared their own memories and stories of visiting Washington. Listening to their adventures, favorite places, and cherished moments reminded us that travel leaves footprints not only on the places we visit, but also on our hearts.

There is something truly special about reminiscing. Sharing travel memories brings smiles, laughter, and a chance to relive the experiences that have shaped our lives.
